Otto

Design system · Foundations and components · Draft 01

Calm work, side by side.

A working foundation for Otto. Quiet surfaces, precise type, and one blue accent reserved for action and focus, so people and agents can share work without noise.

05 Inputs and status

Clear labels, visible focus, specific feedback.

Default	Focus	Error
Task title	**Task title**	**Task title**
Describe the task	Fix sign-in redirect loop	Describe the task
Visible to everyone in this project.	Press Enter to create the task.	❗ Add a title to create the task.

Task stage Set by people	○ To do · ◑ Doing · ✓ Done
Run signal Reported by the run	◌ Queued · ● Running · ⏸ Waiting for input · ✓ Finished · ❗ Failed · ■ Stopped
Completion Human-owned	✓ Run finished → proposes ◑ Doing → authorized human marks ✓ Done

A finished Run never completes a task by itself.
